

# WINTER AMC BOOTCAMP

## Who it's for

- This bootcamp is aimed at middle and high schoolers aiming to qualify for the AIME for the first time through the AMC 10/12.

## What's included

- 6 hours of live instruction per day, including lectures and problem set sessions where we will work through example contest problems.
- 20 full-length handouts, with lecture notes to supplement material covered in the live classes, expansions on the class material, and related exercises from past competitions (AMC 10, AMC 12, AIME).
